Field Title	Field Name	Data Type	Description
Project Name	Project Name	plain text	Name provided by the AHSC awardee for the project funded by AHSC.
Applicant/Developer	Applicant/Developer	plain text	Name of the applicant/developer which received the AHSC award.
Award Date	Award Date	Dates/time	Month and year in which the award was received by the applicant/developer.
MPO	MPO	plain text	The name of the Metropolitan Plannign Organization in which the Project is located.
County	County	plain text	The name of the California County in which the Project is located.
Project City	Project City	plain text	The name of the California City in which the Project is located.
Rural	Rural	plain text	This indicates whether the Project is in a rural area.
Senate District	Senate District	plain text	The senate district in which the Project is located.
Assembly District	Assembly District	plain text	The assembly district in which the Project is located.
Project Type	Project Type	plain text	"TOD" means Transit-Oriented Develeopment. "ICP" means Integrated Connectivity Project. "RIPA" means Rural Innovation Project Area.
Affordable Housing Set-Aside	Affordable Housing Set-Aside	plain text	This indicates whether the Project is eligible for the Affordable Housing statutory set-aside. If this field says "yes," then the Project contains an Affordable Housing Development in which at least 20% of the units are affordable.
Disadvantaged Community Set-Aside	Disadvantaged Community Set-Aside	plain text	This indicates whether the Project is eligible for the Disadvantaged Community statutory set-aside. If this field says "yes," then the project is located in or benefits a disadvantaged community as defined by the CalEnviroscreen tool.
Total $ Award	Total $ Award	Money	Total award amount in dollars.
Affordable Housing Development	Affordable Housing Development	Money	Total award amount in dollars used to fund the Affordable Housing Development.
Housing Related Infrastructure	Housing Related Infrastructure	Money	Total award amount in dollars used to fund the Housing Related Infrastructure.
Transportation-Related Infrastructure	Transportation-Related Infrastructure	Money	Total award amount in dollars used to fund the Transportation Related Infrastructure.
Planning	Planning	Money	Total award amount in dollars used to fund Planning.
Program	Program	Money	Total award amount in dollars used to fund the Program.
GHG Reductions per ARB Verification	GHG Reductions per ARB Verification	Number	Total estimated greenhouse gas reductions in metric tons as a result of the Project.

Metric Tons GHGs reduced per GGRF $ Requested (x 1000)	Metric Tons GHGs reduced per GGRF $ Requested (x 1000)	Plain text	The metric tons of greenhouse gas funds reduced per greenhouse gas reduction fund $ requested.
# of Affordable Units	# of Affordable Units	Number	The number of affordable units in the Project.
# of Extremely Low Income Units	# of ELI Units	Number	The number of units restricted at Extremely Low Income levels (30% of the Area Median Income)
# Very Low Income Units	# VL Units	Number	The number of units restricted at Very Low Income levels (50% of the Area Median Income)
# Low Income Units	# L Units	Number	The number of units restricted at Low Income levels (80% of the Area Median Income).
% Affordable	% Affordable	Percent	The percentage of units in the Affordable Housing Development that are affordable.
Senior	Senior	Number	The number of units in the Affordable Housing Development that are rserved for senior housing.
Supportive	Supportive	Number	The number of units in the Affordable Housing Development that are rserved for supportive housing.
Transitional	Transitional	Number	The number of units in the Affordable Housing Development that are rserved for transitional housing.
Veterans	Veterans	Number	The number of units in the Affordable Housing Development that are rserved for veterans housing.
Housing Density	Housing Density	plain text	The number of dwelling units per acre of the Affordable Housing Development.
Transportation Related Infrastructure as % of total funds	TRI as % of total funds requested/ awarded)	percent	The percent of total AHSC funds requested that is for Transportation Related Infrastructure.
Funds for Bikeways	Bikeways	Money	The total award amount in dollars used to fund bikeways.
Walkways, crossings and Traffic Calming	Walkways, crossings and Traffic Calming	Money	The total award amount in dollars used to fund walkways, crossings, and traffic calming.
Bike racks, storage, repair kiosks	Bike racks, storage, repair kiosks	Money	The total award amount in dollars used to fund bike racks, storage, repair kisoks.
Transit Station Area Improvements	Transit Station Area Improvements	Money	The total award amount in dollars used to fund transit station area improvements.

Transit Service/Intelligent Transportation Systems (ITS) Technology	Transit Service/Intelligent Transportation Systems (ITS) Technology	Money	The total award amount in dollars used to fund Transit Service/ Intelligent Transportation Systems (ITS) Technology.
Streetscaping / Street Furniture	Streetscaping / Street Furniture	Money	The total award amount in dollars used to fund streetscaping/street furniture.
Other Costs	Other Costs	Money	The total award amount in dollars used to fund other costs.
Transit-Related Plans, Specifications & Estimates (PS&E)/ Demolition/Site Prep	Transit-Related Plans, Specifications & Estimates (PS&E)/ Demolition/Site Prep	Money	The total award amount in dollars used to fund transit-related plans, specifications, and estimates/ demolition/site prep.
Total Sidewalks funded (in linear feet)	Total Sidewalks funded (in linear feet)	Number	Total linear square feet of sidewalks funded by the AHSC award.
Crosswalks installed	Crosswalks installed	Number	Total number of crosswalks installed by the AHSC award.
Bike facilities funded (in linear miles)	Bike facilities funded (in linear miles)	Number	Total number of bike facilities funded by the AHSC award.
Bicycle parking storage space	Bicycle parking storage space	Number	Total number of bicycle parking strage spaces funed by the AHSC award.
Co-benefit #1	Co-benefit #1	plain text	Applicant identified co-benefit.
Co-benefit #2	Co-benefit #2	plain text	Applicant identified co-benefit.
Co-benefit #3	Co-benefit #3	plain text	Applicant identified co-benefit.
